

**REMARKS**

This is in response to the Official Action of June 26, 2009.

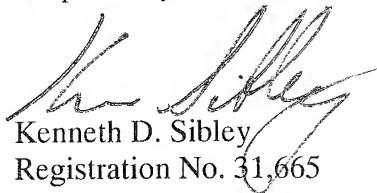

The indication of allowability of claims 1-4 is acknowledged with appreciation.

Claims 5-14 stand rejected as lacking enablement under the first paragraph of 35 USC 112. While applicants respectfully disagree, these claims are cancelled herein, without prejudice or disclaimer, to simplify the issues.

New claims 15-46 are directed to particular embodiments of the present invention, and are added to complete the record. Claims 15, 19, 23, 27, 31, 35, 39 and 43 are each directed to one of Formulas I through VIII, and are supported by the specification at original claim 1, and elsewhere. Claims 16-18, 20-22, 24-26, 28-30, 32-34, 36-38, 40-42, and 44-46 are directed to embodiments wherein at least one A is halogen, NO<sub>2</sub>, or CHO, respectively, and are supported by the specification at original claim 2, and elsewhere. No new issues are believed raised, and entry and allowance thereof is respectfully requested.

It is respectfully submitted that this application is in condition for allowance, which action is respectfully requested.

Respectfully submitted,

Kenneth D. Sibley
